

## 2014 Child Life Wish List

Looking to brighten a child's hospital stay? Donations of toys, crafts, supplies and other items for our young patients are always welcomed and appreciated.

The Child Life Program has created this Wish List to help you choose items most appropriate for children when they are hospitalized. Please note that items for infants, toddlers and adolescents are the most needed at this time. As items are donated, this List will be updated to reflect our current needs. When you're ready to make a donation, please call (631) 444-3840 to arrange for a drop off. Thank you.
